Re: FPPC Case No. 12-516; Frank Burgess

Dear Mr. Burgess:

The Fair Political Practices Commission has initiated an investigation into whether you violated the Political Reform Act's conflict of interest prohibitions with regard to an attempt on your part to influence San Geronio Memorial Hospital Board Members regarding a contract with Burgess North American. At this time, we have not made any determination. We are simply providing you with this information and may be contacting you again to discuss this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary S. Winuk".

Gary S. Winuk, Chief  
Enforcement Division
